

Cash Payment Package Pricing Options

Uncomplicated Delivery-Hospital Facility Pricing

	Package Price With Registration**completed BEFORE end of 36 th week of pregnancy	Package Price With Registration** completed AFTER end of 36 th week of pregnancy
Vaginal	\$3,700	\$5,200
Vaginal with sterilization/tubal ligation	\$5,200	\$6,700
C-Section	\$5,100	\$6,600

****Note:** Registration date will be the date that the patient registers for delivery at OakBend Medical Center and pays the applicable price. If patient is in the Houston area and is awaiting a scheduled Level II Ultrasound before being permitted to register then this will be taken into consideration. The length of the pregnancy must be documented by their physician as we cannot rely on the patient for this information.

Vaginal Delivery Includes:

- Up to 2 midnights In hospital; physician determines discharge time.
- Includes one baby blanket and one baby hat to take upon discharge.
- Additional charges will apply for anesthesia, lab tests, hearing screen, radiology, additional hospital days, hospital services or hospital days and services related to complications (see below), as well as professional fees and ultrasound as described below (separate organizations will bill for anesthesia {\$2,000}), infant hearing test (\$75) and lab tests (minimum \$150 depending on tests required). Please see "Additional Hospital Service Charges Include But Are Not Limited To" and "The Fees Do Not Include" below for more information.

C-Section Delivery Includes:

- Up to 3 midnights In hospital; physician determines discharge time.
- One baby blanket and one baby hat to take home upon discharge.
- Additional charges will apply for anesthesia, lab tests, hearing screen, additional hospital days, hospital services or hospital days and services related to complications (see below), as well as professional fees and ultrasound as described below (Separate organizations will bill for anesthesia (\$2,000)), infant hearing test (\$75) and lab tests(minimum \$150 depending on tests required). Please see "Additional Hospital Service Charges Include But Are Not Limited To" and "The Fees Do Not Include" below for more information.

Additional Hospital Service Charges Include But Are Not Limited To:

Multiple Births, each additional well baby	\$ 700
Each additional day (well mother/baby)	\$ 750
Each additional day (jaundice, baby)	\$ 700
Circumcision (post-discharge)	\$ 150
Observation	(lesser of \$70 per hour or \$ 840 per 24-hour day)
Sick Baby:	\$1,950 per 24-hour day
Sick Mother	\$1,300 per 24-hour day

OB Packages Require:

- Register and visit with your local physician who must have credentials with OakBend Medical Center.
- Once your local Richmond, Texas (Houston, Texas area) physician has your register, you must register in person at one of OakBend's facilities in order to and complete all of the Pre-Admission Forms needed.
- Payment for the delivery services must be made when registering at OakBend Medical Center.
- We accept cash, money order, or cashier's check from local financial institutions. Payment is due in full at the time of registration. No payment plans are accepted.
- All payments must be made Monday – Friday 8:00 am – 2:00 pm
- The uncomplicated Vaginal and C-section delivery price must be paid in full no later than (1) month BEFORE the expected delivery date.

- If complications arise that necessitate more complex hospital services, payment will be the amounts indicated above for the baby and mother or 50 % of billed charges for services not listed, including NICU.
- Payment must be made in full before discharge.
- All charges quoted are for mother and baby for facility fees related to delivery.
- Any outpatient services rendered at OakBend are not included in the Uncomplicated Delivery-Hospital Facility Pricing and are required to be paid at the time of service.
- Please note that OakBend provides one format of zero balance letter and only after all charges are paid in full.

The Uncomplicated Delivery-Hospital Service Pricing Fee Does NOT include:

- Anesthesia estimated charge of \$2,000 (billed through US Anesthesia Partners): see contact information below.
- Lab testing (billed through Brown & Associates): see contact information below.
- Infant hearing screen (estimated: \$ 75).
- Professional fees or charges by obstetrician, pediatrician, radiologist, and any other service providers are not included in the service price.
- Any pre-delivery charges for pre-delivery testing such as, but not limited, to laboratory, ultrasound, etc.
- Any post-delivery charges such as, but not limited to, PKU and Bilirubin Test.

Payment Is Due In Full Before Discharge For Unexpected Complications and Additional Days for Mom and Baby

Request for Zero Balance Letters

Please email me at acastro@obmc.org no less than 10 days after delivery/discharge (the latter of the two).

To obtain Zero Balance Letters, we require confirmation that the neonatologist and anesthesiologist (if received anesthesia) were paid for their services.

Please include the Millennium Zero Balance Letter and US Anesthesia Payment Receipt along with:

- Mom's Full Name is registered at OakBend Medical Center
- Mom's Date of Birth

Please confirm your postal mailing address if different than what we have.

Clarify if the address is a change of address or just a mailing address. If traveling out of state, need an address to the Consular Office.

I will respond to your request within 1-2 days after the account is reviewed. I will respond to let you know when to expect your letters, normally 5 – 7 days for a soft copy and 7-10 for a hard copy by post.

If you must contact me, I am available Monday – Friday 8:00 am – 4:30 pm by phone.

If you leave a message on my confidential voicemail. Please leave your return phone number.

Thank you!

Alice Castro
