

Imaging Prompt-Pay, Discounted Price Quotes

Must be paid in full before procedure.

Exam	Self-Pay Price
Cat Scans:	
CT's w/o contrast	\$250.00
CT's w/ contrast	\$350.00
CT's w/ & w/o contrast	\$450.00
Abdomen & Pelvis w/o contrast	\$400.00
Abdomen & Pelvis w/ contrast	\$450.00
Abdomen & Pelvis w/ & w/o contrast	\$500.00
CT Coronary Calcium Score (Doctors order or self-referral)	\$200.00
MRI's:	
MRI's w/o contrast	\$450.00
MRI's w/ contrast	\$550.00
MRI's w/ & w/o contrast	\$675.00
Ultrasound:	
Ultrasound, unless otherwise listed below	\$150.00
Breast	\$130.00
Pelvic/Transvaginal	\$225.00
Testicular	\$130.00
Arterial Doppler – Lower	\$280.00
Arterial Doppler – Upper	\$175.00
Venous Doppler	\$250.00
Carotid Doppler Bilateral	\$190.00
Mammo:	
Routine Screening (Doctors order or self-referral)	\$100.00
Diagnostic – Bilateral or Unilateral	\$125.00
X-ray:	
X-ray, 1-2 views	\$110.00
X-ray, complete	\$110.00
Bone Density	\$130.00
Any series, Lumbar, Cervical, Upper GI or Small Bowel	\$110.00
IVP	\$275.00
Bone Survey Skeletal	\$190.00
Nuc Med:	
Bone, Liver/Spleen, Muga, Hida, or Lung Scan	\$470.00
Breast Spec Gamma Imaging	\$385.00
Renal	\$750.00
Thyroid Therapy	\$750.00
Parathyroid nuclear med scan	\$750.00
Rad Procedure:	
Hysterosalpinograms	\$275.00
Esophagus Modified	\$385.00
Cardio:	
PFT (Pulmonary Function Test)	\$200.00
Stress Test – treadmill/cardio	\$200.00
Stress Test – Nuc Med	\$550.00
Echocardiogram - Limited	\$280.00
Echocardiogram – Complete	\$610.00
EKG	\$100.00
EEG	\$480.00
Holter Monitor	\$200.00

Effective 8/1/23

NOTE:

For multiple CT or MRI's w/ contrast, charge w/ contrast for the first service and w/o contrast for the second service.

For example, Order shows CT abdomen and chest with contrast –

Charge would be one CT w/ contrast at 100% and one CT w/o contrast

The radiologist reading fee is included in CT, MRI, Ultrasound, Mammo, Nuc Med & Rad procedures. The cardiologist's fee is included for Echo, EKG, & EEG – but you will receive a separate bill for the physician component of the Stress Tests and Holter Monitors.
